INK SOLUTIONS FOR THE MAILING & PACKAGING INDUSTRIES

FlexPrint™

YOUR INK SOLUTIONS PROVIDER

THE 2017-18 HOT COMPANIES

think ink inc.®

Think Ink is more than an ink solutions provider. With more than 17 years of experience in the mailing industry, no one sells more ink at competitive prices to mail shops nationwide than Think Ink! We are one of the largest OEM ink partners of both Hewlett-Packard and Kao Collins, as well as a supplier of FlexPrint brand inks. Think Ink's FlexPrint branded inks are specifically formulated for challenging mail applications. Think Ink has the industry's best inventory of cartridges and ink products that utilize only genuine HP print head technology, as well as numerous inks for MCS Eagle Printers.

If it can be inkjetted, we've got the solution! Think Ink offers free technical support and advice for all your ink needs. Our technical experts can provide free stock testing for your challenging stocks. Think Ink has shipping locations in Maryland and Illinois, with the latest ship times in the industry. Think Ink doesn't just sell ink. We sell tabs, tags and maintenance items for your ink cartridges. Think Ink is your best OEM ink source for HP, Eagle technologies.
